

# Helping Hearts Trust

In September 2007,

We registered our Trust in government.

We started to do some activities in the beginning.

We started our orphanage in the 2008 June

In the place of marapalam at present our orphanage

Get very nice building sponsored by friends of India

(Vinir Indlands) in 2013.

Our home located in erode district in Tamil Nadu.

The erode district total area 2,198sq mi (5692km2)

The total population in our district 2,259,608 in the year 2011.

Agriculture is the most important income source of this district.

Paddy, plantain, groundnut, cotton, turmeric, coconut and sugarcane are some of the agriculture products. Erode is also well known for handloom power loom textiles products and ready-made garments and hence called the power loom city of India.

## Background of children we select in our home

- Orphan
- Semi orphan

## Iceland and its help

- Vinir Indlands has observed our work for few years and helped us with a great and huge building for the betterment of the Children.
- We have been given the deposit amount and the monthly rent for the new building we have rented.
- We are given monthly provision, clothes, and other basic requirements for the Children.
- We have volunteers from Iceland every year. Few stay for longer and help us with English teaching, awareness on various issues related to children and their welfare.
- On every visit they help us with necessary things for the use of Children in the home

## **Vinir indland educational project**

Every year in the month of June we conduct

**'Vinir indland Educational project'** in the project we

Distribute Note books, bag, and school uniform

And educational Needs to our children supported

by Friends of India.

## Volunteers visit

Volunteers from Iceland visit our place and with work us to improve our activities. Volunteers are teaching, singing, dancing, playing and support many things for our children's development.

Our staffs also very interested to serve these children's and giving family situation.

## Future plan

Plan to raise the children's qualities

Plan to start vocational training centre

(Like computer, tailoring.....)

Plan to make hand made products.

## Government rules:

According to running orphanage in India,  
We need minimum 3160 sqft for 25 children  
to register in juvenile justice act.

- No objection certificate from fire department
- Sanitary certificate
- Stability certificate
- Building licence

*We have all this facilities and government certificate to running orphanage.*

We are proud of our children they are well talented in multi activities like yoga, sports, singing and drawing.

So we've more responsibility to raise them for the bright future, because of that we need some basic needs, especially on their birthdays.

*Summer tour:*

*Every year in the month of May*

*We go some nearby tourist*

*Places in tour bus*

*With prepared food for the*

*Children's Happiness.*
